Q (4) Kind reference is invited to para 2 in med file 90 of 1915-16 It will be seen that among the free quarters attached to the Victoria Hospital no provision has been made for quarters for the medical officer in charge of the hospital But the practice of occupying one of the buildings in the Compound has been enjoyed by the officers in charge of the institution since the time of Dr. Arunachalam, though there is no Govt. order authorising the same. Dr. Krishnaswami also was occupying one of the buildings rent-free during the time he was in charge of the hospital.

G In Govt. order dt 26th Jan 1917, Dr. Nanjappa was permitted to occupy the R.M.O's Quarters until further orders and the order was passed on the representation ~~Govt~~ of Dr. Nanjappa for rent-free quarters

(5) The points now for consideration are

(1) Whether the occupation of the quarters ~~attached~~ in the V.H. Compound ~~the Victoria Hospital~~ by Dr. Nanjappa was rent-free and whether he should be continued to occupy it rent free In this connection it has to be observed that the question of granting House rent to ~~un~~ whole, who is properly entitled to the Lady medical officer's quarters in the said hospital Compound is pending disposal, as the Lady medical officer's quarters

has been made available for the R.M.O of the units of the hospital for whom separate quarters are proposed to be constructed early. (2) It may perhaps be considered in this connection whether the medical officers in charge of the V. hospital should be provided with quarters in picture in the hospital compound, and if so how the existing building there should be altered so as not to necessitate the construction of an additional building beyond the one sanctioned to R.M.O Units of 4. (6) The allocation of free quarters in the V. Hospital premises may be re examined. Conditions have changed since the quarters were first built. The Sr Surgeon may be asked to forward a list of the quarters & the designations of the officers who shd be entitled to occupy them free of rent. If there are more quarters than officers entitled to them free of rent, such quarters may be allowed to be occupied by certain specified officers on payment of rent.

To

The Chief Secretary to the Government of
H. H. the Maharaja of Mysore,
General & Revenue Deptt., Bangalore.

Sir,

I have the honor to forward herewith a copy of letter No. 433, dated October 1917, from the Medical Officer in charge of the Victoria Hospital, praying for exemption from payment of house-rent for the official quarters occupied by him, and to state as follows:-

In connection with the provision of quarters to the Resident Medical Officer of the Minto Ophthalmic Hospital, the Government in para 2 of their order No. 1525-8/Med. 67-15-19, dated 24th August 1916, were pleased to direct that the Medical Officer, Victoria Hospital, who was not entitled to free quarters (which he was enjoying till then) might be asked to vacate the same, to provide quarters for Mr. B. G. Srinivasacharya.

The Necessity for the Medical Officer in charge of the Victoria Hospital, to live on the premises having been represented by me to Government, they were subsequently pleased, in modification of the above order, to permit Mr. Nanjappa to continue to live in the building (Vide G.O. No.4784-7/Med.90-16-8, dated 26th January 1917.) The question of payment of rent or exemption from such payment was not raised then, as there was no necessity for it.

As regards the statement made by Mr. Nanjappa that

his

his predecessors in office lived in the same building rent-free. I may say that, when I was made Medical Officer of the Victoria Hospital in succession to Col. Smyth, I was specially required, by the then authorities, to continue to live in the building I had been till then occupying as Resident Medical Officer of the institution.

When Mr. E. S. Krishnaswamy Iyer was appointed Medical Officer in 1914, he occupied the building intended for the Lady Medical Officer, which was then vacant, during the short period I was permitted to occupy (Vide Government order No.2057-61-Med.209-13, dated 22nd August 1914) on payment of rent, the building in question and shifted into the latter on my vacating the same, in October 1914 and continued to occupy it till he was transferred to Mysore as Medical Officer of the General Hospital.

The question of claiming rent from the Medical Officer has now been raised by the Comptroller on the strength of para 2 of the Government order of 24th August 1916, above referred to, which was subsequently modified.

I submit the matter for orders.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.

My predecessors were living in the same quarters free of rent and I cannot understand why I should be singled out for payment of rent.
